INTRODUCTION

As we face hardship in life: what is our strategy?

I. WHEN _____ (32:1-2)

- > Are you seeing God's Signs of Faithfulness?

II. WHEN _____ (32:3-8; 13-21)

- > Are you ignoring God's promises and his assurances in life?
- > Are you facing life's difficulties with your own (1) strength, (2) life-philosophy, (3) intelligence, (4) abilities?

III. WHEN _____ (32:13-21)

- > How long does it take before you're on your knees?
- > How much are you praying daily, weekly, monthly?
- > Do you experience communion with Christ? Or is your faith purely intellectual in nature? And / or about making right decisions?
