I. **THE LEPER'S PLEA**

And this story particularly begins when a man approaches Jesus and his condition is immediately made clear to us in verse 40.

A. **The Leper's Condition**

1. The Leper's Physical Condition
2. The Leper's Relational / Religious Condition
See Leviticus 13

B. **The Leper's Heart**

C. **The Leper's Request**

The Westminster Larger Catechism defines prayer: "Prayer is offering our desires to God...".

It references Psalm 62:8 — ***"Trust in Him at all times, O people; pour out your heart before Him; God is a refuge for us"***.

II. **THE LORD'S RESPONSE**

A. **Jesus wills**

B. **Jesus heals**
